

Program Requirement Checklist: MA Theology, Spiritualities and Community Engagement

In Person vs. Online Courses at Laurier		
Feature	In Person Classes	Online Courses at Luther/Laurier
Design	On-campus courses that you must attend class in person.	Originally and intentionally designed as an online course .
Identification	TH course code <u>without VA or VS designation</u> means it is in person at Luther.	You can identify an online course on LORIS by checking the section. Virtual Asynchronous online courses are marked VA . Virtual Synchronous are VS .
Class Meetings & Format	Usually a 3 hour class once per week for a 12 week term or Intensive format. As we are CRPO regulated, missing classes means you are missing required content (professional competencies) and is not permitted (unless under extreme circumstances). “ Intensive ” format means it is in person at Luther but does not run the standard format 3 hours once per week. Intensive courses run full days for 5-6 days (please check your syllabus). Intensive days/times are not posted in LORIS. Please see this Luther link for dates/times .	Virtual Asynchronous (VA) do not include regularly scheduled class meeting times. VA course instruction will occur asynchronously, while Virtual Synchronous courses (VS) are delivered at a specific day and time. VA courses may occasionally include 1 or 2 scheduled components for virtual interaction, such as for getting to know your professor and classmates. Some online courses may also include a requirement to regularly meet with a peer group .
Fees Link to Tuition & Fees webpage	In-person and online classes have the same fee structure. Full Time students pay per term, and Part Time students pay per course.	In addition to all regular Laurier tuition and fees, online courses are subject to an online course administration fee.

IMPORTANT INFORMATION ABOUT REGISTERING FOR COURSES

- **NOTE:** Dates/times/locations for courses held in the Fall and Winter terms can be found on LORIS.
 - To find the days/times of “Intensive” courses, see [Courses at Luther](#).
- In LORIS, we recommend putting in the term (Fall 2025) and then adding in the subject (Theology) and then searching (don’t add the course code) so that all the courses come up for you.
- Unless noted otherwise, all courses are worth 0.5 credits.
- Students should register **early** for their courses. Courses fill up quickly, so registering early will help you get into the required courses.
 - **Register for the Fall and Winter in May** (starting **May 15th**). You can also register for Spring at this time, but we recommend **waiting until January 5th to register for Spring courses** because the Spring course schedule is not confirmed until then.
- If you are a student with the maximum number of transferred credits (determined by Academic Advisory Council upon submitting a petition), you may not have space for electives. You must complete at least 8 (out of 11) required courses to graduate.
- Please decide early in the program if you prefer to do a **Major Research Project (MRP)** (1.0 credits), **Thesis** (2.0 credits), or only **Coursework** with an Integrative Project (0.5 credits). This way, you can plan accordingly to progress toward your graduation in a timely manner.

Days/Times are subject to change. Be sure to check the days and times on LORIS before registering to ensure they have not changed. You can also use the [LORIS Visual Schedule Builder](#) tool to make your planning easier.
